

LOCAL.

SATURDAY, JANUARY 29, 1870.

THE STOCK JOURNAL.—Our offer to furnish the Orangeburg News and The American Stock Journal, for one year, for Two Dollars, if paid in advance, will be closed on the 1st of February. Persons desiring to avail themselves of this advantageous offer, will come forward and subscribe or renew their subscriptions before that date.

We have received a pretty poem entitled "My Home," by Mrs. Augusta Glover, which will appear next week.

Those of our subscribers who paid us before the 1st day of January, 1870, can get their Stock Journal at the different Post Offices, as they came on Saturday last.

Those who have paid since that date and up to the 1st of February, will get them some time in February.

We would state that there are three cents a quarter, postage, on the Journal, to be paid at the office of delivery.

We have been requested to state that the Rev. Bishop James of the M. E. Church will preach at the College Chapel, at the Claffin University, to-morrow at 10 A. M. and at 3 P. M.; that the ordination of deacons will take place after morning services, and the ordination of elders after evening services; and that Governor Scott is expected to be present on the occasion.

ERRATA.—Corrections to be made in the poem entitled "The Comet," on our fourth page: Omit possessive pronoun its before Quicksands, read reeks for reeks, read you for you, before Goddess Love, read courtly for earthly, gne-ts. Read Vicing for vicining before resplendant. Read scine for Levin, and acrial for aerill.

Read Sun at night, on the last line, instead of Luna.

THE MILITIA.—By reading the notice of the Enrolling Officer it will be seen that the enrollment of names for the Militia has been completed, and that all who claim exemption, must file a written statement of the ground of such exemption in the Office of the Clerk of Court or before some Magistrate before the 15th of February next.

Applications for Exemptions will be made out by Malcolm I. Browning, Esq., Attorney at Law.

APPOINTMENT.—Augustus B. Knowlton, Esq., has been appointed Magistrate for this County.

HEAVY RAINS.—The heavy rains of the past week have rendered the roads, in some parts of the County, almost impassable. The abolition of the Township system, will throw the duty of the care of roads upon the County Commissioners, and it would be well if the Board would take a general survey of the roads in the County, and put them in marching order.

We notice that Messrs. John Davis & Co., have moved to their new store, next to Treadwell's Hotel. Their advertisement appears to-day.

COURT.—The Court of Common Pleas adjourned on Saturday last, after a session of three weeks, having disposed of about two hundred cases on the Issue Docket, besides the trial of criminal cases, and numerous other incidental duties.

Judge Carpenter has achieved a reputation for business and legal capacity, and won expressions of satisfaction from the entire bar, both here and in Charleston. No officer of the new regime has so won and deserved the confidence of all classes of our people.

Elliot is spoken of as the possible candidate for the Circuit Judgeship made vacant by the death of Judge Boozer. Any one else?

Mr. W. T. Muller informs the public that he sells for the cash, and consequently can afford to sell cheap.

Every lawyer in the United States whose politics are Radical, and whose name is utterly unknown, feels to-day that he is in imminent danger of being called to take Mr. Hor's place in the Cabinet. The distinguished members of the profession feel safe. They know that the lightning of Executive favor will never strike them.—*Prentice.*

(The position is similar in this State, as to the vacancy occasioned by the death of Judge Boozer.—*Ed.*)

W. T. Lightfoot Esq., offers bargains. Read his advertisement.

There are several advertisements in this issue of Messrs. N. P. Boyer & Co., to which the attention of our readers is called. This is no humbug establishment, and parties desiring to purchase can rest assured that they are dealing with a bona fide establishment.

THE CONTESTED SEAT IN CONGRESS.
The House of Representatives discussed the question of the contested election between Wallace and Simpson, from the Fourth Congressional District of South Carolina.

At one time it was decided by a vote of 103 to 73 that Simpson had a *prima facie* right to his seat, but the severe opposition of desperate radicals brought about a reconsideration of the question, and the report of the Committee was laid on the table.

This leaves the case open to contest, but pending the final decision, Simpson is deprived of his seat this Session.

DESTRUCTIVE FIRE IN CHESTER.
About one o'clock on the morning of the 23d, a fire broke out in the store of M. B. Freidinger & Co., in Chester, which destroyed property to the amount of \$20,000, consuming the entire business portion of the town. The office of the Chester Reporter was among the buildings consumed, only the books and a few cases of type being saved. The colored people are spoken of as having behaved nobly and by their exertion doing much to save the entire town from destruction.

We would call the attention of our readers to the fact, that Messrs. CORNELSON, KRAMER & Co., Agents of the Zells' Ammoniated Bone Super Phosphate, have received a large supply of this valuable fertilizer, which we can safely recommend to our planters, having the full endorsement of the great Georgia Cotton planter and experimenter Dr. E. M. Pendleton of Sparta, Geo. See what he says in the December No. of the Southern Cultivator, page 381. Out of 15 commercial fertilizers, all of them put down at the rate of \$10 per acre, it was the second best, paying 94 per cent, whereas Peruvian Guano paid only 56 per cent and Rhodes only 39 per cent. We have also a number of certificates from Planters of our own State and County, who have used it before, and the Agents are prepared to furnish certificates from all parts of the Southern States upon application to them.

Give it a trial and be convinced.
